The **best way to select courses** needed for your program of study is from the **"My Progress"** screen. Click on "Go to My Progress"

Under "Requirements" click on the course you want to plan and register for. Each section will only show courses that are part of the program you are in. Clicking on the course will take you to the Course Catalog where you can add the course to your plan, or select the section to register for.

Whichever method you choose, always return to the "Plan and Schedule" screen to complete your registration. *Please note: Registration for planned courses is not complete until the registration period for the semester opens up and you go in and select "Register Now".

To register for your selected classes, select the "Register Now" option

Courses with a status of green "Registered" indicate you have completed the registration process. To drop a class you will
