Security Considerations in the Maintenance of Campus Facilities

Sandhills Community College is committed to campus safety and security. Exterior lighting and landscape control are a critical part of that commitment. Representatives from various departments continually conduct security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. Police officers conduct routine checks of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is acted upon by a representative of the appropriate maintenance office.

Campus Security & Crime Prevention Education/Awareness

The College also requires annual completion of selected training online like NEOGOV TRAINING MODULES and RUN, HIDE, FIGHT training through ACA courses for all incoming students.

All new hires and employees are required to annually complete training on Making Campus Safe for LGBTQ+ Students. The training explores the challenges faced by LGBTQ+ students and provides ways that educators can help create a safe and respectful campus environment and delivered by Vector Solutions.

Campus Security and Crime Prevention:

The Department publishes a general campus security and crime prevention brochure that outlines security information and crime prevention strategies that community members should practice when on campus. In addition, a student and employee email is distributed each semester containing this brochure.

The abuse and use of drugs and alcohol are of great concern in our society. These problems are extremely complex and ones for which there are no easy solutions.

From a safety perspective, drug or alcohol use may impair the well-being of all employees, students, and the public at large; drug and alcohol use may also result in damage to college property.

Therefore, it is the policy of Sandhills Community College that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol, is prohibited while in the workplace, on the college premises, or as part of any college sponsored activity.

Any employee or student violating this policy will be subject to disciplinary action, up to and including termination or expulsion and referral for prosecution. The specifics of this policy can be found in the materials below.
